

FOCUS Standards Cross-Reference Table Ohio Elevator Inspection Standards

FOCUS (Advisory notice)	Description (For all elevator devices including handicapped lift elevators)	Permit Approval Date	Applies to Handicapped lift equipment?
S1	Notice: The information to be contained on the elevator code data plate is as follows: Ohio Red Book	1-1-1901 thru 3-30-1974	no
S2	Notice: The information to be contained on the elevator code data plate is as follows: ANSI A17.1b 1973	4-1-1974 thru 9-9-1979	no
S3	Notice: The information to be contained on the elevator code data plate is as follows: ANSI A17.1a 1979	9-10-1979 thru 8-14-1980	no
S4	Notice: The information to be contained on the elevator code data plate is as follows: ANSI A17.1b 1980	8-15-1980 thru 6-30-1984	no
S5	Notice: The information to be contained on the elevator code data plate is as follows: ANSI A17.1b 1983	7-1-1984 thru 6-30-1989	yes
S6	Notice: The information to be contained on the elevator code data plate is as follows: ANSI A17.1b 1989	7-1-1989 thru 12-31-1991	yes
S7	Notice: The information to be contained on the	1-1-1992 thru	yes

	elevator code data plate is as follows: ASME A17.1 1990	8-28-1992	
S8	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1a 1991	8-29-1992 thru 6-29-1993	yes
S9	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1b 1992	6-30-1993 thru 5-14-1995	yes
S10	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1 1993	5-15-1995 thru 6-30-1995	yes
S11	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1a 1994	7-1-1995 thru 7-31-1996	yes
S12	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1b 1995	8-1-1996 thru 3-31-1999	yes
S13	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1a 1997	4-1-1999 thru 8-19-1999	yes
S14	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1b 1998	8-20-1999 thru 3-31-2002	yes
S15	Notice: The information to	4-1-2002	No – see

	be contained on the elevator code data plate is as follows: ASME A17.1 2000	thru 10-3-2002	below
S16	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1a 2002	10-4-2002 thru 11-29-2003	No – see below
S17	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1b 2003	11-30-2003 thru 2-28-2005	No – see below
S18	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1 2004	3-1-2005 thru 10-28-2005	No – see below
S19	Notice: The information to be contained on the elevator code data plate is as follows: ASME A17.1a 2005	10-29-2005 thru 10-29-2006	No – see below
	(For handicapped lift devices installed after 4-1-2002)		
S80	Notice: The information to be contained on the handicapped lift code data plate is as follows: ASME A18.1b 2001	4-1-2002 thru 2-28-2005	yes
S81	Notice: The information to be contained on the handicapped lift code data plate is as follows: ASME A18.1 2003	3-1-2005 thru 10-29-2006	yes
