

4101:16-1-09. Replacement of a license. RESCIND

~~(A) If a license issued pursuant to this rule should be lost, stolen, accidentally mutilated, or destroyed, the individual issued the license may request a duplicate of the license. In order for the licensee to obtain a duplicate license for a lost or stolen license, the licensee shall make sworn affidavit stating the facts associated with the loss or theft of the license, and pay a replacement fee in an amount of twenty five dollars.~~

~~(B) In order for a licensee to obtain a duplicate copy of an accidentally mutilated or destroyed license, the licensee shall provide an affidavit stating the facts of the mutilation or destruction of the license, and pay a fee in an amount of twenty five dollars. In lieu of the affidavit required by this rule, the secretary employed by the administrative section may accept any recognizable portion of a mutilated or destroyed license that the secretary deems sufficient evidence for replacement of the license. Upon a determination that an individual has met all of the requirements of this rule, the administrative section shall issue a duplicate license.~~
