

MONTHLY SHIPPING REPORTS ARE NOW REQUIRED TO BE COMPLETED ON-LINE

Instructions are available via our website or *after login* by clicking on "Instructions Link" next to Shipping Report Button.

All Manufacturers are now be responsible for assuring that all information we require will be accurate and complete. In the past we have not always been able to rely on unit address information. Since some manufacturers place units at a temporary location unit until final destination is determined for shipping. This system will allow each manufacturer to edit reports when final destination of use is determined.
