

Ohio Board of Building Standards Industry Trade Associations Revised: Dec. 29, 2017

The following represents the list of Ohio recognized Industry Trade Associations created in accordance with the provisions of section 114 of the Ohio Building Code (O.B.C.), the Residential Code of Ohio (R.C.O.) and the accreditations of its third party auditors, plant quality assurance and certification program policies. The intent of this list is for use by certified building departments wherever the O.B.C. and R.C.O. require the testing, inspection, labeling or grademarking of materials or assemblies and conformance to industry standards. Whenever a certified building department receives documentation from Industry Trade Associations, the building department must review this list to determine if such content is from one of the recognized Associations listed herein.

The industry trade associations listed are recognized by the Board of Building Standards in accordance with Ohio Administrative Rule 4101:7-6-01, Criteria for Board Recognition of Accreditation Bodies, Conformity Assessment Bodies, And Industry Trade Association Certification Programs, effective July 1, 2014.

The next triannual renewal expiration date is July 1, 2020. Any new applications, renewals or changes in accreditation status and other informational changes occurring prior to the expiration date shall be provided to the Board using application forms available on the Board's website at:
