**Note:** The table above represents UST releases from active UST systems that are identified to have taken place during the reporting period. All “release” and “source” data was entered into the Ohio Tank Tracking & Environmental Review (OTTER) data base by (BUSTR) staff. The “Grant Guidelines To States For Implementing The Public Information Provision of The Energy Policy Act Of 2005” were followed by the BUSTR staff for classifying all entered data. Information was gathered from reports and information submitted by consultants, inspectors, the Ohio Environmental Protection Agency and BUSTR certified inspectors and installers. No attempt to verify information from consultants has been done. All data used to compile this report has been retrieved from the OTTER data base.
