Ohio Fire Code §3323.10

WHOLESALE FIREWORKS SAFETY OFFICER DUTIES

As required by Ohio Revised Code section 3743.19(M)

A uniformed safety officer shall be present during regular business hours at a building open to the public during a period commencing fourteen days before, and ending two days after, each fourth day of July. The officer shall be highly visible, stationed at the show room entrance and shall enforce this chapter and any applicable building codes, including but not limited to maximum occupancy load and no smoking regulation to the extent the officer is authorized by law, and be one of the following:

1. A deputy sheriff;
2. A law enforcement officer of a municipal corporation, township or joint township police district;
3. A private uniformed security guard registered under section 4749.06 of the revised code.

As the Safety Officer you should familiarize yourself with the evacuation plan and egress patterns posted in the showroom as well as the inter-linked fire detection and smoke exhaust system and operation's procedures.

The safety officer shall enforce the following procedures:

- No alcohol is permitted on the premise as required by law ORC 3743.19(F).
- No smoking.
- No sources of ignition, either open or concealed (i.e., cigarettes, matches, lighters, cigars, or other flame producing items) may be carried onto the premise or beyond the designated NO SMOKING AREA as required by ORC3743.19(D).
- Maintain crowd control when necessary in the parking lot and waiting areas, such as the line of patrons waiting to enter facility. An adult shall accompany minors (under the age of 18) at all times.
- Keep fire lanes open and unobstructed as required.
- Enforce operating procedures of wholesale fireworks:
 1. Patrons must have a shirt and shoes on to enter the facility.
 2. No food or drink is allowed in the firework's showroom.
 3. Loud and abusive behavior and profane language will not be tolerated.
 4. No pets allowed inside the fireworks showroom. (except guide and service dogs)
- In accordance with state law no fireworks can be discharged in the State of Ohio. (no testing)
- Locate fire extinguishers.
- Identify proper procedures to notify emergency service i.e., 911
- Shall ensure the posted occupancy load is not exceeded.
- Restrict any person under age of 18 from entering store unless with adult.
- Eject any person that is in any way disruptive to the safe operation of the premises.
