

Ohio Fire Academy

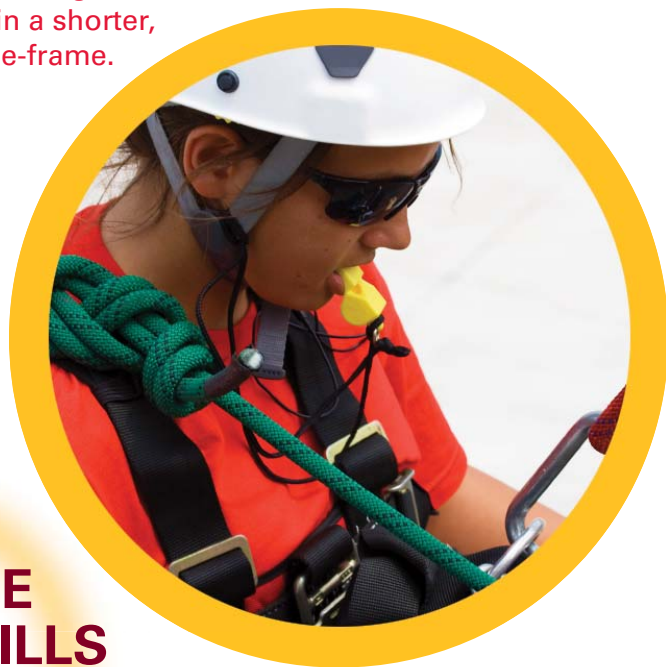

MAXIMIZE YOUR TRAINING TIME

Exciting and challenging, accelerated Firefighter courses are designed to instruct students within a shorter, more manageable time-frame.

GET EMT CERTIFIED

Intense course designed to instruct students to the level of Emergency Medical Technician-Basic (EMT-B) in compliance with D.O.T. curriculum as approved by the Ohio E.M.S. Board. Four week course includes classroom and off-site clinical instruction in all EMT-B skills. Students will be eligible for National Registry of Emergency Medical Technician's (NREMT) certification testing upon successful completion of the EMT-B course.

LEARN ROPE RESCUE SKILLS

Take your basic rope rescue skills to the next level. Learn about rigging, critical angles, mechanical advantage systems, lowering systems and low angle techniques. Build your group skills and operations knowledge, while preparing your self for future rescue challenges.
