

## TAKE ACTION NOW!

Millions of Americans have trouble making their mortgage payments every year, but help does exist. There are numerous actions you can take to help keep the dream of homeownership alive.

First, contact your mortgage servicer, or the company where you send your mortgage payments, and ask to speak with someone in the loss mitigation department about a loan modification, workout, or repayment plan. Visit [www.savethedream.ohio.gov](http://www.savethedream.ohio.gov) for servicer contact information.

Then, call Ohio's Save the Dream hotline, 888-404-4674, to be connected with a local HUD-approved housing counseling agency or legal aid assistance in your area. Housing counselors understand your situation and can help you sort through your options. Also, qualified homeowners will be connected with a local legal aid program to be matched with an attorney.
