The order will be in effect until 11:59 p.m. April 6, 2020, unless it is rescinded or modified before then. For full details, please read [the order](#).

In this order, essential businesses and operations consist of restaurants for consumption off-premises. This includes:

- Restaurants and other facilities that prepare and service food, but only for consumption off-premises through such means as:
 - In-house delivery
 - Third-party delivery
 - Drive-through
 - Curbside pick-up
 - Carry-out
- Schools and other entities that typically provide food services to students or members of the public may continue as long as food is provided on a pick-up and takeaway basis only. They may not permit food to be eaten onsite or other gathering site.

This order is consistent with and does not amend or supersede prior orders.
