Phishing Email Alert

The Division of Real Estate and Professional Licensing has been made aware of a recent email distributed to stakeholders from what appears to be the Ohio Real Estate Commission. The subject line reads Real Estate Licensees Important Requirement. The message instructs license holders to update their online profile. **This email was not from the Commission and is likely a phishing attempt.** If you receive the email, do not click any links and delete it immediately.

The Commission is **NOT** requiring licensees to take any action regarding online accounts. Below is a screenshot of the email.
