Bureau Policy for Application for Certificate of Occupancy

❖ Introduction:

Section 111.1 Ohio Building Code states that no building or structure, in whole or in part, shall be used or occupied until the building official has issued an approval in the form of a certificate of occupancy. The certificate of occupancy shall indicate the conditions under which the building shall be used. The building owner shall only use the structure in compliance with the certificate of occupancy and any stated conditions. The structure and all approved building service equipment shall be maintained in accordance with the approval. When a building or structure is entitled thereto, the building official shall issue a certificate of occupancy provided there are not violations of law or orders of the building official pending or as permitted in this section.

Please note that when an application for plan approval for a new building construction, alteration, addition, or change of occupancy is filed, a certificate of use and occupancy will be issued automatically at the completion of all required inspections in accordance with section 109 Ohio Building Code. **The permit applicant does not need to submit this application form (DIC3019).** However, if the applicant wishes to occupy a portion of building prior to the completion of the entire proposed and approved scope of work, please follow the procedures of POLICY OF APPLICATION FOR PARTIAL OCCUPANCY, form DIC 3019A.

❖ Certificate of Occupancy qualifications:

The certificate of use and occupancy can be obtained for the following occupancy types:

- **EXISTING BUILDING CERTIFICATE OF OCCUPANCY:** According to the Ohio Building Code Section 111.2, the owner of an existing building may request the issuance of a Certificate of Use and Occupancy. Upon written request from the owner, the building official shall issue a certificate of occupancy, **provided there are not violations of law or orders of the building official pending, and it is established after inspection and investigation** that the alleged occupancy of the building or structure has heretofore existed. **Please be aware that an existing building with proposed change of occupancy, alterations, or addition, according to section 3408 of Ohio Building Code is not qualified for this application.**
- **TIME-LIMITED CERTIFICATE OF OCCUPANCY:** According to Ohio Building Code Section 111.1.5, a time-limited Certificate of Occupancy can be issued for a building or structure **changed in part from one occupancy to another for a limited time period.** The building official may stipulate any special conditions under which the building may be occupied for the specified time.

❖ Required documents for each type of certificate of occupancy:

- **EXISTING BUILDING OCCUPANCY:**
(Please review carefully the “change of occupancy” policy form 3016B to ensure that your application is qualified for an existing building occupancy rather than change of occupancy).
 1. Completed application for certificate of occupancy (DIC 3019),
 2. Payment for application fees,
 3. A most recent **building fire safety inspection report** showing that there are **no violations of law or orders** pending in the building must be submitted with this application,

4. A written request from the owner of the building stating the use of the building as it has been known to the public for a minimum of 2 years and documents of proof such as copies of utility bills, insurance statements, etc., with the name of business.
5. A copy of the floor plans for the building showing all exits, room name, occupant load, and dimension of each room.
6. **For a day care center** in an existing building application, Include a floor plan drawn on a minimum 8 ½ x 11 sheet of paper for each floor that indicates the following:
 - Room name and dimension of each room,
 - Number and age of children in each room
 - If there are dividers of any kind within the room, indicate type & height
 - Location & width of all exit doors w/ exit signs or indicated on the drawings.
 - If rooms have doors directly to the outside, indicate whether there are steps or ramp outside of the exit doors
 - Indicate location & number of toilet fixtures.

▪ **TIME-LIMITED OCCUPANCY:**

1. Completed application for certificate of occupancy (DIC 3019),
2. Payment for application fees,
3. A most recent **building fire safety inspection report** showing that there are **no violations of law or orders** pending in the building must be submitted with this application,
4. A copy of the floor plans for the building showing all exits, room name, dimension, and occupant load of each room.

❖ **Inspection and certificate issuance procedures:**

- Once documentation has been reviewed and application has been processed, you will receive notification **in the mail** regarding the procedure to schedule the appropriate structural and electrical safety inspections. Allow up to 5 business days for the processing of the application. Additional questions may be directed to Building Code Compliance at 800/523-3581 or 614/644-2622.
- Once ALL required inspections are completed, a certificate of use and occupancy will be issued and mailed to the owner.
