A licensed exhibitor who attends this required program may, within one year after attending, and on an annual basis during the following two years, conduct in-service training using the information obtained in this class.

This course is designed to give the officer in charge of issuing a permit, information regarding National Fire Protection Association (NFPA), Ohio Revised Code (O .R.C.) and Ohio Fire Code (O.F.C.) requirements, responsibility, liability and safety.

National FBI background checks are required for all fireworks licensure. Fingerprinting is offered at a charge of $25.25 at the state-sponsored continuing education classes. ***Only credit cards and checks accepted; no cash.***
