FIRE PREVENTION WEEK POSTER CONTEST

I am pleased to announce the Division of State Fire Marshal is conducting the annual statewide fire safety poster contest. The purpose of the contest is to recognize individuals who have demonstrated an understanding of the issues related to fire safety education and who have shown the ability to visually portray that knowledge.

The contest will take place during Fire Prevention Week (Oct. 7-13) to help emphasize and support local fire safety education efforts. This year, we will be implementing the theme "Look. Listen. Learn. Be aware. Fire can happen anywhere." We ask each participating student depict what they can do to proactively prevent or escape a fire in a timely manner. The contest is open to all elementary school children in Ohio. Two grade categories will be eligible: grades K-3 and grades 4-6. The 12 winning posters will receive a special recognition by the State Fire Marshal's office.

Contest rules, deadlines and other information are enclosed and must be followed to be considered.

I encourage you to take this opportunity to work with the schools in your jurisdiction to reinforce our efforts in safeguarding Ohio's future – its children.

If you need additional information, please contact the Fire Prevention Bureau toll free at 1-888-243-0305, option #1.

Sincerely,

Jeff Hussey, OFE, OFC, CFO
