FIRE PREVENTION WEEK POSTER CONTEST

Fire departments throughout the state have been sent information about the 2020 Fire Prevention Week Poster Contest and have been encouraged to work with their local schools to help in this fire safety awareness effort.

We encourage you to contact your local fire department for assistance and guidance if you would like to participate in this event. If your local fire department is unable to assist, you may still participate.

BACKGROUND

The Division of State Fire Marshal is conducting the annual statewide fire safety poster contest. The purpose of the contest is to recognize individuals who have demonstrated an understanding of the issues related to fire safety education and who have shown the ability to visually portray that knowledge.

The contest will take place during Fire Prevention Week (Oct. 4-10) to help emphasize and support fire safety education efforts. Posters must include a fire prevention theme, which may include this year's national theme is "Serve Up Fire Safety in the Kitchen", or another appropriate message. The contest is open to all elementary school children in Ohio. Two grade categories will be used: grades K-3 and grades 4-6. There will be six state finalists in each grade category. The winning entries will receive a special recognition by the Division of State Fire Marshal starting in the spring of 2021, prior to the end of the school year.

HOW TO ENTER

Fire departments are encouraged work with their local elementary schools. The fire department (or local school official if the fire department is not participating) selects its local winners – a maximum of one in each grade category to be sent to the Division of State Fire Marshal. The State Fire Marshal will appoint a committee to review all submissions and will select six state finalists in each grade category for special recognition. (NOTE: A fire department or school may also recognize additional "winners" locally.)
