

The Ohio Department of Commerce, Division of Liquor Control is seeking applicants to establish and operate a new contract liquor agency in Franklin County Ohio, within a two (2) mile radius of Latitude 40.052779, Longitude - 82.9236. Proximity within a two mile radius of the identified latitude and longitude will be an important selection consideration.

The agent would sell spirituous liquor from the established business location. Applicants must have experience operating a retail business or equivalent experience, and must have sufficient financial resources to establish and manage a retail business.

Applicants must provide the following minimum requirements:

- 550 linear feet of shelving for displaying spirituous liquor
- 1,500 square feet of storage space for inventory
- Computer
- Point of Sale
- Point of Sale Integrator
- Internet/Wi-Fi capability
- Valid email

The successful applicant will meet established department criteria and submit a quality business plan. The selected applicant must be able to commence sales operations on a date specified by the Division.

Applications and a map of the location identified above are available on the Division's website at <http://www.com.ohio.gov/liqr/Agency.aspx>. Interested parties can also request an application by contacting the Division at (614) 644-2380. Applications must be received by the Division by 2:00 p.m. EST on September 6, 2017.
