Land Professional

Change Application

- Incomplete applications will not be processed. They will be returned to you and accepted for processing when all required materials are submitted. An original signature must be included at the end of this form.
• The form must be typewritten or printed in blue or black ink.
• If you are changing your membership with a professional organization, you must attach proof that you are a member in good standing with your new national, state, or local professional organization. Your new professional organization must have been in existence for at least three (3) years and has, as part of its mission, developed a set of standards of performance and ethics for oil and gas land professionals.
• If your change in membership with a professional organization caused a lapse in membership, you must also complete a Reactivation Application.
• If you are reporting a change in membership with a professional organization, include the date of change in standing.
